There will be a 2-yd limit per household (approx. a pick-up load) . . . **NO EXCEPTIONS!!!**

Items accepted: Furniture, mattresses, scrap building material, metal items, and other bulky trash that is not acceptable for regular garbage pick-up. Paint cans will be accepted, but must have lids off and be either completely empty or completely dried up. No lead based paints will be accepted. The Village will collect waste oil, but will no longer provide a collection barrel. You must leave your waste oil in a container which will not be returned. **Tires are not accepted. Electronics will be accepted for a fee which will be based upon their size. There is a \$30 .00 fee for all TV's and computer monitors regardless of size.**

If paying with cash, please have the exact amount due; if paying by check, payment for the correct amount should be made out to "Village of Coleman". The Village will not accept appliances containing Freon (e.g. refrigerators, dehumidifiers, air conditioners).

Items not accepted: Hazardous waste such as household or garden chemicals, bio-medical waste, recyclable items, lead based paints, tires, and automotive fluids other than oil. No demolition materials will be accepted.
