

PUBLIC NOTICE TO ALL CUSTOMERS OF THE COLEMAN WATER UTILITY

The Coleman Water Utility has filed an application with the Public Service Commission of Wisconsin (PSCW) to increase water rates. The increase is necessary due to a 2.57 percent increase in gross plant investment and a 3.72 percent increase in operating expenses since the last water rate case was completed in 2021.

The total increase in water revenues requested is \$25,075 which will result in an estimated overall rate increase of 9.80 percent over the water utility's present revenues. If the request is granted, the water bill for an average residential customer with a 5/8-inch or 3/4-inch meter who uses 9,000 gallons of water per quarter will increase from 69.93 to \$75.06, or 7% (not including the public fire protection charge), and will increase from \$69.93 to \$133.83, or 91% (including the public fire protection charge).

The Utility currently collects \$115,012 from the Village of Coleman (Village) for providing PFP water service to the Village. This municipal PFP charge is based on 100 percent of the Utility's total PFP cost. The total PFP cost is increasing to \$129,214, which covers the additional storage, pumping, and distribution required to provide the high flows and pressures needed to fight fires. The Village collects the funds for the current municipal PFP charge from property taxes and pays this charge to the water utility. The Village recently approved changing the Utility's method of PFP cost recovery from a 100 percent municipal PFP charge, to 100 percent direct PFP charges collected through direct bills to water utility customers.

The Village requested Commission authorization to collect 100% of the total PFP cost through direct PFP charges from each customer of the water utility, based on the Equivalent Meters method. This change in the method of recovery the PFP charge will allow the Utility to collect a portion of the PFP charge from property owners who are not subject to property taxes. The Utility does not intend to charge PFP charges to non-general service customers.

A public hearing on the application has been scheduled for **Tuesday, December 5, 2023, at 11:00 a.m.** This hearing has no physical location. Parties and Commission staff appear by Zoom. Parties and Commission staff may use the telephone connection as a backup or if no practicable internet connection exists. Members of the public attend by Zoom or by audio-only telephone connection.

Join Zoom over the internet at:
